The man who tapped the secrets of the universe pdf full book

"So simple is this underlying Principle of Creation that I have been enabled, throughout these years, to state it in one paragraph and one octave-wave diagram so simply that every law or theory ever propounded in the past or future by man can be tested by that paragraph and that diagram. "Thus I was made to see the universe as a whole and its simple principle of creation as one unit, repeated over and over, endlessly and without variation, as evidenced in the universal heartbeat to which every pulsing thing in the light-wave universe is geared to act as ONE UNIT OF THE WHOLE. It will be found that most of even the most fundamental laws and theories of the past and present do not come anywhere near fitting into this underlying principle. In less time than it takes to put it into words, I knew all there was to know of the CAUSE of all effect, for there was very little to know. Read online and download as many books as you like for personal use. If they will not fit into this unitary principle, they are outside of Natural Law and must be discarded. Likewise the universal kaleidoscope was but moving mirror waves of dual light extending from their equilibrium in God from Whom all creating things spring in octave electric waves just as the ocean waves spring from the calm sea."Thus knowing the static Light of God, the two dynamic lights of His thinking, and the electric processes by means of which His thinking is recorded in 'matter,' I at once had the key to all the sciences: mathematics, chemistry, astronomy, and mechanics; and likewise to all the underlying principles of creation: of life and the healing principle; of continuity in a universe in which there is no death; of energy which is not what man thinks it to be; and of matter which is not substance as man supposes it to be; and of the forces which act upon it which man has learned how to use somewhat, but knows not the why of that which he uses. We are a non-profit group that run this website to share documents. He would see the universe as a whole and know his relationship to it and to God. ALL MY LIFE I have been looking for a Man who has discovered the universal law which lies back of the Sermon on the Mount, and who consciously uses that law with full awareness of its meaning and full obedience to its principles. The account of Walter Russell's Illumination in his own words."Can you tell me the process by which this ALL - KNOWLEDGE came to you? If I could find such a man, I thought to myself, he would be so cosmically aware of the Light of God that he would know the spiritual Cause of all Effect. They will, therefore, have to be discarded in favor of immortal Truth."And so it happened that I, who had never had any school or university training above the primary grades, thus knew instantly, while in the Light, what all the universities in the world could never teach. I could never have written such rhythmic essence of knowledge, nor have created its exalted style. Such a one would be a super-genius, for the hidden secrets of the universe would be his. "And likewise the mystery of the soul was mine to know, and of growth; and the patterns of things in the seeds of things; and the manner of their unfolding, their repetition, and their evolution. Was it always a gradual process, the result of earnest, patient seeking, or was there a high point, a period of revelation or illumination?" Mr. Russell replied, "I will put it very simply. © 1996-2014, Amazon.com, Inc. "And the LAW was mine to know, the ONE LAW which governs all things extending from the Source through the universal pulse beat which motivates all things. A brilliant Flash like lightning severed my bodily sensation from my consciousness, and I The account of Walter Russell's Illumination in his own words."Can you tell me the process by which this ALL - KNOWLEDGE came to you? In May of 1921 God took me up into a high mountain of inspiration and intense ecstasy. See thou that I, the Undivided, Unchanging One, am within all divided things, centering them, and I am without all changing things, controlling them."And the secrets of the universe were unfolded to me in their great simplicity as the doors to the Light opened fully to my consciousness. I doubt if there are many men in the whole world who actually know that cosmic basis sufficiently to live it knowingly. In that hour it was as though the infinity of complexity within the moving kaleidoscope were suddenly taken apart, and it was shown to me that the entirety of its illusion was but three mirrors and a few bits of broken glass. Tens of thousands preach it or write about it, yet have little understanding of its meaning. "And then God said to me, "Behold thou the unity of all things in Light of Me, and the seeming separateness of all things in the two lights of my divided thinking. "By this rarest of all experiences ever to happen to any man, it was made known to me just what Jesus meant when He spoke of 'the Light of the world.' He meant just that, yet it has been misinterpreted as metaphor or symbol. Full supports all version of your device, includes PDF, ePub and Kindle version.
